Rachelle,

I just wanted to drop you and Wes a note and wish you a Happy Thanksgiving! I've been following your updates on the web and it seems you've had a successful hunting season. I hope that is the case. There honestly isn't a day that goes by that I don't think of you guys as I'm looking at the pics of the bull we killed. Seeing that monster on the ground never gets old!! I want to thank you both again for the wonderful hunt and an experience I will never forget. With the exception of being with my family, this was by far the most memorable hunt I've ever been on and for that I will always be grateful. I truly appreciate the dedication and hard work you put into your business and for making my success your personal goal.

I have included a summary of all my daily emails I sent to my hunting buddies while on the hunt. take a minute and read it. It's a great story with a HAPPY ending!

If you could do me a favor, tell Rich and Rob I said hello.

Again, have a wonderful day and a happy holiday!
