

**BOWHUNTING SAFARI CONSULTANTS**  
NORTH AMERICA

Wes & Rachelle,

I wanted to drop you guys a note on the appreciation of all your efforts to make our Easter weekend so successful. Despite Kelly and I taking birds, more importantly the camaraderie at the lodge. I may not have participated much due to lack of sleep but enjoyed every bit of Marty ripen on Rusty or vise-versa. I could not have asked for a better group guys to start off my spring turkey season. Rachelle you're an awesome cook, I don't care what Wes says – you can cook for me any day. After flipping through all our pictures on the TV with Cindy, she was ready to leave the next day. Thank you guys and hopefully we can share camp again.
